Maybe even better than free.

Files can be downloaded from any computer from our high speed servers. You can upload any type of file (movies, music, documents, images, zip files and more). When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Unfortunately, we can't make that part free. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. filehosting provides an easy possibility for you to send large files to your friends. Any file in any format can be uploaded and downloaded for free. Keep your files private, or send your download links only to friends or family. Simply upload your file and share the link. If only wecould, we surely would! On the other hand, using file can actually save you money. You decide who you want to share your files with. Just upload the file youwant to share with your friends and we send you a download link to your file. You don't need any special software installed to be able to download your files.Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone andour servers, then from our servers to your friends device. No account or credit card is required to get started. We have no file size limit. Why pay storage feesfor a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within theirapps. Our service is completely free for everyone. File is free to use with no gotchas and no hidden fees. Using file, you can circumvent those limits withoutpaying to upgrade your team chat service. The cost of that data transfer is covered by your internet service or the data plan on your phone. So try our free andsimple filehosting service now. There are no restrictions on the number of times a file can be downloaded. Files transferred the old-fashioned way tend to pileup and be forgotten about, eventually costing you money in data storage fees. You can give this download link to your friends by mail or instant messenger. It isalso allowed to link to the download page from websites and communities.
