Maybe even better than free.

If only we could, we surely would! On the other hand, using file can actually save you money. Using file, you can circumvent those limits without paying to upgrade your team chat service. filehosting provides an easy possibility for you to send large files to your friends. Keep your files private, or send your download links only to friends or family. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Our service is completely free for everyone. You can upload any type of file (movies, music, documents, images, zip filesand more). Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files thatcan be transferred within their apps. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Files transferred the old-fashionedway tend to pile up and be forgotten about, eventually costing you money in data storage fees. Just upload the file you want to share with your friends and wesend you a download link to your file. It is also allowed to link to the download page from websites and communities. Simply upload your file and share thelink. The cost of that data transfer is covered by your internet service or the data plan on your phone. Alternatively you can choose to share your download linkson blogs, forums and social networking sites. Unfortunately, we can't make that part free. There are no restrictions on the number of times a file can bedownloaded. Any file in any format can be uploaded and downloaded for free. File is free to use with no gotchas and no hidden fees. So try our free and simplefilehosting service now. You can give this download link to your friends by mail or instant messenger. You decide who you want to share your files with. Noaccount or credit card is required to get started. Files can be downloaded from any computer from our high speed servers. We have no file size limit. You don'tneed any special software installed to be able to download your files.
