Maybe even better than free.

If only we could, we surely would! On the other hand, using file can actually save you money. You can give this download link to your friends by mail orinstant messenger. Simply upload your file and share the link. When you use file, you avoid storing the file you're sending in your cloud storage or mail server.Files can be downloaded from any computer from our high speed servers. You decide who you want to share your files with. Why pay storage fees for a filethat you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps.Unfortunately, we can't make that part free. It is also allowed to link to the download page from websites and communities. This is easy, fast and reliablefilehosting! You don't need any kind of premium-accounts. Any file in any format can be uploaded and downloaded for free. No account or credit card isrequired to get started. File is free to use with no gotchas and no hidden fees. Our service is completely free for everyone. There are no restrictions on thenumber of times a file can be downloaded. filehosting provides an easy possibility for you to send large files to your friends. We have no file size limit. Thecost of that data transfer is covered by your internet service or the data plan on your phone. Just upload the file you want to share with your friends and we sendyou a download link to your file. So try our free and simple filehosting service now. You can upload any type of file (movies, music, documents, images, zipfiles and more). Keep your files private, or send your download links only to friends or family. Your wallet will be none-the-lighter! Just so we're all 100%clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device.Alternatively you can choose to share your download links on blogs, forums and social networking sites. Using file, you can circumvent those limits withoutpaying to upgrade your team chat service. You don't need any special software installed to be able to download your files. Files transferred the old-fashionedway tend to pile up and be forgotten about, eventually costing you money in data storage fees.
